GENERAL UPDATES

Incentive Update Reminder

Incentives for Home Efficiency Income Qualified (HEIQ), Healthier Homes and Home Efficiency Market Rate have recently been updated. Updated pricing applies only to new reservations dated June 22, 2026 or later.

HEIQ and Healthier Homes Incentive Changes

- Rim joist insulation and air sealing
 - Tier 1 customer incentive increasing to \$6.30
 - Tier 2 customer incentive increasing to \$5.65
- Crawl space wall insulation (less than 2')
 - Tier 1 customer incentive increasing to \$8.70
 - Tier 2 customer incentive increasing to \$7.85
- Crawl space wall insulation (greater than 2')
 - Tier 1 customer incentive increasing to \$11.05
 - Tier 2 customer incentive increasing to \$9.95

Home Efficiency Market Rate Incentive Changes

- Bathroom exhaust fan increasing from \$25 to \$225
- Smart thermostat increasing from \$200 to \$275
- Introduction of air sealing levels to mirror IQ:
 - Air sealing level 1: \$0.70/CFM
 - Air sealing level 2: \$1.00/CFM for <1,000 CFM of air sealing
 - Air sealing level 3: \$1.50/CFM for ≥1,000 CFM of air sealing
- Rim joist insulation and air sealing increasing from \$2.00 to \$2.50
- Crawl space wall insulation (both less than and greater than 2') increasing from \$3.00 to \$3.75

Updated workbooks are available on the [Program Ally Resource Page](#).

HOME EFFICIENCY MARKET RATE

New Payment System

All incentive payments are moving to a direct deposit format. As this enhancement rolls out, please keep an eye out for emails with the following sender and subject line.

Email Sender:

Ameren Illinois HE Market Rate Initiative (donotreply@mail.mypaymentvault.com)

Email Subject Line:

Register Your Ameren Illinois Payment.

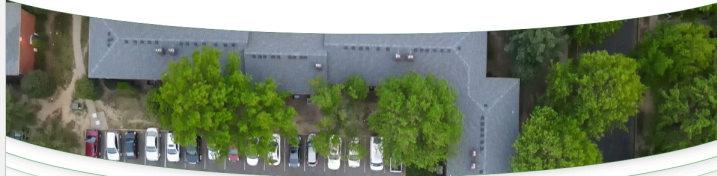

Contact us at [1.872.999.6078](tel:18729996078) for assistance.

Program Ally Recognition

A special congratulations to the following Home Efficiency Program Allies for leading the way in project counts and delivering energy-saving solutions to customers:

- Home Comfort Insulation
- Co-Lab Insulation
- Koala Insulation
- RSP Heating and Cooling
- Prairie Insulation

MULTIFAMILY INITIATIVE

Terminology Update: "Workbook" Replaces "Work Scope"

As part of our ongoing efforts to simplify and standardize Program materials, you'll begin seeing the term "Workbook" used in place of "Work Scope" throughout our applications, communications and Program resources.

While the name is changing, the purpose and process remain the same. The Multifamily Workbook continues to serve as the primary document used to collect HVAC or Building Envelope project information, proposed energy efficiency measures and supporting details for Program review.

What does this mean for you?

- You may begin seeing "Workbook" referenced in emails, training materials and Program documentation.
- Existing Work Scope documents are simply being renamed as Workbooks.
- No changes have been made to the application process or required information.

This update helps create consistency across our Multifamily program materials and resident initiatives while making our documentation easier to understand.

If you have any questions, please don't hesitate to reach out to the Multifamily team at IllinoisMultifamilyEE@ameren.com.

Questions? Call [1.866.838.6918](tel:18668386918) or email IllinoisResidentialEE@ameren.com.
