Ameren ILLINOIS | Energy Efficiency PROGRAM

Save Today on Home Insulation Upgrades

Through the Ameren Illinois Energy Efficiency Program, eligible customers can receive discounts on home insulation upgrades to decrease energy usage, improve home comfort and reduce energy costs. For example, if your attic is 1,000 square feet, you could receive a $1,100 discount on new insulation!

Upgrade	2026 Discount Rate	Description
Attic Insulation	$1.10/sq. ft.	Add attic insulation for greater comfort and lower energy costs.
Wall Insulation	$1.10/sq. ft.	Insulate empty exterior wall cavaties to improve comfort and energy efficiency.
Rim Joist	$2.50/linear ft.	Seal and insulate rim joists to reduce drafts and energy loss.
Crawl Space Wall Insulation	$3.75/linear ft.	Insulate crawl space walls to improve efficiency and year-round comfort. May require ground vapor barrier.
Air Sealing	$0.70/cubic foot per minute (CFM) of air leakage reduced	Find and seal air leaks to improve comfort, efficiency and home performance.
ASHRAE Exhaust Ventilation	$225.00/residence	Install ENERGY STAR® certified energy-efficient ventilation that promotes indoor air quality.
